Where and When to Use Signs, Signals and Markings

A CT Legal Traffic Authority Program Required Workshop

This workshop is designed to provide an overview of the Manual on Uniform Traffic Control Devices (MUTCD), and give participants a basic understanding of when and where to install signs, signals and markings.

Who Should Attend

This program is designed for municipal personnel who serve in the capacity of their municipality’s Legal Traffic Authority as well as those who have responsibility for the placement of traffic signs, signals and markings.

Course Instructor

Mark Hood, P.E. is a Senior Technology Transfer Specialist and Traffic Safety Engineer with Pennoni Consulting Engineers and the Pennsylvania LTAP Center. Mark has over 25 years of experience in Transportation Engineering and has been providing training and technical assistance on transportation safety and traffic engineering-related subjects to audiences around the country for the past 20 years.

“A very knowledgeable instructor who was able to answer questions effectively.”

- Legal Traffic Authority Program participant
