Who Should Attend

This class is designed for Directors of Public Works, Highway Superintendents, Foremen and Road Crew members.

Any municipal employee who works on or is responsible for the maintenance of gravel roads is encouraged to attend.

Gravel Road Maintenance
A CT Road Master Program Elective Workshop

This workshop will present attendees with a basic understanding of gravel and gravel roads. It will provide information on factors affecting the condition of gravel roads and the proper techniques of maintaining a gravel road. This workshop is designed to help manage gravel road problems. The solutions offered include proper maintenance techniques and long term improvements.

Dates & Locations

September 11, 2019
