

◆-----◆
Your program provides a great service to our communities.

~Rick Kelsey, Director of Public Works - Town of Portland

◆-----◆
The T2 center has become a necessity for many municipalities in CT. During these troubling economic times, a program that provides relevant information, guidance and training at an affordable price, and provides it locally is an invaluable tool that we can not afford to lose.

~ City of Middletown

◆-----◆
My personal experience with T2 has enabled me to submit better budgets, work with road/fleet management software programs, work better with staff and work more efficiently.

~ Dwight Ryniewicz, Fleet Supervisor - Town of Vernon

Connecticut Technology Transfer Center's 2011 Yearbook

Our Mission

The Technology Transfer Center's mission is to foster a safe, efficient, environmentally sound transportation system by improving skills and knowledge of local transportation providers through training, technical assistance, and technology transfer.

◆-----◆
You have made a difference in how we view and approach our jobs here in South Windsor.

~ Michael Gantick, Public Works Director - Town of South Windsor

◆-----◆
Your Road Scholar and Road Master programs have provided us with the tools we need to keep our infrastructure in great shape.

~ City of Milford

◆-----◆
Connecticut towns are fortunate to have the T2 Center and the resources it provides - you are a unique source of technical information and resource for new ideas and emerging concepts that address common concerns.

~ Fred Thumm, Past Chair of the T2 Advisory Committee

October 27, 2011

Dear Graduates:

The staff of the Connecticut Technology Transfer Center would like to congratulate those individuals who completed the Road Master, Road Scholar, Legal Traffic Authority and Public Works Academy in 2011.

Your dedication to these training programs is certainly a reflection on your commitment to excellence in your profession and to your personal and professional development.

2011 continued to be a challenging time for state and local agencies in Connecticut so we are even more grateful for your continued support and for making our educational programs a priority, even during difficult economic times. All of us at the T2 Center are so proud of you and your accomplishments.

We are excited about our new educational programs including the Transportation Leadership Program and we are committed to finding innovative ways to support your continual learning and sharing of knowledge with your peers.

We are most grateful for the support of the Federal Highway Administration, the Connecticut Department of Transportation and the municipal agencies in Connecticut. Without you, we would not be able to provide all of these valuable services to our transportation community.

Congratulations Graduates!

Donna M. Shea
