Learning Objectives

In this workshop you will learn about selection of materials for construction, maintenance and reconstruction of pavements, the various maintenance treatments and conditions under which they should be used, and how to identify the various pavement distress types and their causes.

Who Should Attend

This program is designed for those who have responsibility for the construction and maintenance of local roads. Highway Superintendents, Road Foremen, Crew Leaders, Directors of Public Works, and Town Engineers are encouraged to attend.

Instructor

James Mahoney is the Program Director of the Connecticut Advanced Pavement Laboratory (CAP Lab) at the University of Connecticut. Jim has over 12 years of experience in pavement materials research and design. He received his Master’s degree from the University of Connecticut in 1995 and has been with the CAP Lab since that time.

Registration Fees

The registration fee for State and Municipal participants is $65.00; the registration fee for private sector participants is $130.00. The registration fee includes refreshments, lunch, and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

Refund Policy

The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee. Substitutions may be made at any time. Please notify us of changes.

Registration

Registration is closed one week prior to day of workshop. Detach and mail form, or fax the form to (860) 486-5718.

You will receive a confirmation packet containing travel directions and parking information.

Enrollment is Limited

Registrations will be accepted on a first-come first-served basis. Please register early for this workshop.

TENTATIVE SCHEDULE

8:00 a.m. - Registration & Refreshments

8:30 a.m. - Introductions and Morning Session

-- Asphalt Materials
-- Asphalt Construction
-- Inspection for Asphalt Construction

12:00 Noon - Lunch (provided)

1:00 p.m. - Afternoon Session

-- Utility Cuts
-- Surface Treatments
-- Pavement Evaluation and Maintenance

3:30 p.m. - Class Adjourns

Contact the Technology Transfer Center at (860) 486-5400 if you have any questions.
