Can your stormwater management program endure the storm?

Many small municipalities are nearing the end of their first 5-year permit term. To ensure that these municipalities are complying with their permit requirements, EPA and some States have been conducting audits to assess compliance. How can you prepare, conduct your own audit?

This web based presentation will address:
- Why EPA conducts municipal stormwater audits
- What EPA typically looks for during audits
- Lessons learned from past EPA audits
- Tools to use during your self audit

Schedule:
8:30 AM – 9:00 AM—Registration and Welcome
9:00 AM—11:00 AM—Roundtable Discussion
11:00 AM—1:00 PM—APWA Web-based Self-Audit Workshop
