

CT PUBLIC WORKS ACADEMY

2016 Fall Public Works Academy

Who Should Attend

The CT Public Works Academy provides education on those core competencies necessary to be successful members of the public works community. The PWA is also an excellent opportunity for updated information on the latest in technology and best practices for experienced employees who are new to professional development. Each module is taught by an instructor who is an expert in the subject matter.

When and Where

The PWA program is comprised of six (6) weekly sessions that will be held each Wednesday at the Technology Transfer Center at UConn in Storrs, CT. Classes will be held from 8:00 am to 3:00 pm. Participants must attend all six modules to receive credit for the Academy.

September 7, 2016 September 21, 2016 October 5, 2016
 September 14, 2016 September 28, 2016 October 12, 2016

A Supervisors' Orientation Session will be held from 9:00 - 12:00 on August 24, 2015 in Storrs. Attendance is mandatory for the direct supervisor of each participant.

Training Overview

Each week at the Academy, participants will become familiar with different subject matter that is essential to working in Public Works. The following is an overview of the topics that will be covered each week:

Week 1	<i>Professionalism and Communication Skills</i>
Week 2	<i>Operational Safety</i>
Week 3	<i>Road Fundamentals</i>
Week 4	<i>Chainsaw Safety and Storm Clean Up</i>
Week 5	<i>Work Zone Safety/Flagger Certification</i>
Week 6	<i>Winter Operations and Safe Snow Plowing</i>

Register for the Class

Cost: \$350.00 (includes lunch and course materials)
