The Connecticut Transportation Institute’s Technology Transfer Center, established at the University of Connecticut’s School of Engineering in 1983, provides training, technical assistance and informational materials to Connecticut’s local governments on the planning, design, construction, maintenance, operation and management of roads, bridges and public transit.

The Technology Transfer Center is a cooperative effort of the Connecticut Department of Transportation, the Federal Highway Administration’s Local Technical Assistance Program (LTAP) and the University of Connecticut. For information on our services, call (860) 486-5400 or visit us online at www.t2center.uconn.edu

Instructor:
Scott Zinke is currently a Research Engineer at the Connecticut Transportation Institute. Scott conducts research for the Connecticut Advanced Pavement Laboratory and provides technical assistance and training for the Technology Transfer Center.

Scott is an American Traffic Safety Services Association (ATSSA) certified Flagger, Traffic Control Technician, Traffic Control Supervisor and Flagger Instructor. Scott is also certified to teach the Federal Highway Administration endorsed “Road Safety Fundamentals” course.

Agenda:
7:45 - 8:00 a.m.   Registration
8:00 - 12:30 p.m.  Classroom session
Practical skills evaluation
Quiz

Topics Covered:
♦ Flagger visibility
♦ Personal protective equipment
♦ Flagger equipment
♦ Selection of traffic control station
♦ Parts of signing pattern
♦ General work zone safety

Registration Fees
The registration fee for State and Municipal participants is $75.00; the registration fee for private sector participants is $150.00. The registration fee includes refreshments, lunch, and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

Refund Policy
The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee. Substitutions may be made at any time. Please notify us of changes.

Registration
Registration is closed one week prior to day of workshop. Detach and mail form, or fax the form to (860) 486-5718.

You will receive a confirmation packet by mail containing travel directions and parking information prior to the training date.

Enrollment is Limited
Registrations will be accepted on a first-come first-serve basis. Please register early for this workshop.

Please note: This course satisfies the ATSSA Flagger Certification curriculum.

Satisfactory completion of this course certifies participants for four (4) years and places them on ATSSA’s national registry.
