If mailing registration with payment, please be sure to also fax your registration to secure a space. Please direct questions to Shelly Desjardin at (860) 486-9373.

The Connecticut Transportation Institute's Technology Transfer Center, established at the University of Connecticut's School of Engineering in 1983, provides training, technical assistance, and informational materials to Connecticut's local governments on the planning, design, construction, maintenance, operation, and management of roads, bridges, and public transit. The Technology Transfer Center is a cooperative effort of the Connecticut Department of Transportation, the Federal Highway Administration's Local Technical Assistance Program (LTAP) and the University of Connecticut. For information on our services, call 860-486-5400 or visit us online at www.t2center.uconn.edu.

The University of Connecticut is an affirmative action, equal opportunity institution. No state-appropriated funds were used to print this material.

Principles of Drainage for Local Roads

A Connecticut
Road Master
Program
Required Workshop

August 8, 2007

Storrs, CT

August 9, 2007

Westport, CT

August 10, 2007

Glastonbury, CT

Learning Objectives

In this workshop participants will learn:

- ◆ Extent of drainage problems
- ◆ Properties and effects of soil and sub-surface water
- ◆ What subsurface drains do not do
- ◆ Purpose of cross section elements and maintenance techniques
- ◆ How to maintain, inspect and install culverts
- ◆ Purpose and maintenance of ditches
- ◆ Types of erosion and ways to reduce it

Who should attend?

Directors of Public Works, Highway Superintendents, Road Foremen, Crew Leaders, Town Engineers, and others who have responsibility for the construction and maintenance of local roads.

Instructor

David P. Orr, P.E. is the Senior Technical Assistance Engineer for the Cornell Local Roads Program. David has fifteen years of experience, including eight years with the Yates County (New York) Highway Department.

- *Culverts*
 - *Ditches*
 - *Erosion and slopes*
 - *Summary*
- 3:30 PM ***Class Adjourns***

Contact the Technology Transfer Center
at (860) 486-5400
with any questions you may have.

Registration Fees

The registration fee for State and Municipal participants is **\$65.00**; the registration fee for private sector participants is **\$130.00**. The registration fee includes refreshments, lunch, and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

Refund Policy

The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee. Substitutions may be made at any time. Please notify us of changes.

Registration

Registration is closed one week prior to day of workshop. Detach and mail form, or fax the form to (860) 486-5718. *You will receive a confirmation packet containing travel directions and parking information.*

Enrollment is Limited

Registrations will be accepted on a first-come first-serve basis. Please register early for this workshop.
