

CT PUBLIC WORKS ACADEMY

2016 Spring Public Works Academy

Who Should Attend

The CT Public Works Academy provides education on those core competencies necessary to be successful members of the public works community. The PWA is also an excellent opportunity for updated information on the latest in technology and best practices for experienced employees who are new to professional development. Each module is taught by an instructor who is an expert in the subject matter.

When and Where

The PWA program is comprised of six (6) weekly sessions that will be held each Wednesday at the Technology Transfer Center at UConn in Storrs, CT. Classes will be held from 8:00 am to 3:00 pm. Participants must attend all six modules to receive credit for the Academy.
