Mail to: Technology Transfer Center
179 Middle Turnpike, Unit 5202
Storrs, CT 06269-5202

Fax to: (860) 486-5718, or register on-line at
www.t2center.uconn.edu/registration.php

The Connecticut Transportation Institute's Technology Transfer Center, established at the University of Connecticut's School of Engineering in 1983, provides training, technical assistance and informational materials to Connecticut's local governments on the planning, design, construction, maintenance, operation and management of roads, bridges and public transit.

The Technology Transfer Center is a cooperative effort of the Connecticut Department of Transportation, the Federal Highway Administration's Local Technical Assistance Program (LTAP) and the University of Connecticut.

If mailing registration with payment, please be sure to also fax your registration to secure a space. Please direct any questions to: Shelly Desjardin at (860) 486-9373.

Superpave for Municipalities

*A Connecticut Road Scholar Program
Elective Workshop*

August 4, 2009 — Torrington, CT
August 5, 2009 — East Lyme, CT

8:30 a.m. — 3:30 p.m.
(Lunch will be provided)

Course Description:

The purpose of this course is to provide updates on Superpave methodologies and to provide you with information on how to integrate Superpave into your operations. It will include an open discussion on both the current usage of Superpave in our communities as well as a look to the future of Superpave in Connecticut.

Learning objectives include:

- ◆ Understanding terminology associated with the Superpave Mix Design System
- ◆ Understanding the general mix design concepts associated with Superpave Mix Designs
- ◆ Understanding how the change to Superpave may affect construction practices and increase the life of your pavements

Instructor:

James Mahoney is the Program Director of the Connecticut Advanced Pavement Laboratory (CAP Lab) and the Executive Director of the Connecticut Transportation Institute at the University of Connecticut.

Jim has over 12 years of experience in pavement materials research and design. He received his Master's degree from the University of Connecticut in 1995 and has been with the CAP Lab since that time.

Who Should Attend:

This program is designed for Highway Superintendents, Road Foremen, Crew Leaders, Directors of Public Works, Town Engineers and others who are responsible for the construction and maintenance of local roads.

Proposed Agenda

- 8:00 a.m. Registration
- 8:30 a.m. Introduction and Morning Session:
- ◆ Identification of Superpave Issues
 - ◆ Superpave Methodologies and Mix Design Concepts
- Noon Lunch (provided)
- 1:00 p.m. Afternoon Session:
- ◆ How municipalities can integrate Superpave into paving operations and why it is a good idea
- 3:30 p.m. Class Adjourns

Registration Fees

The registration fee for State and Municipal participants is **\$75.00**; the registration fee for private sector participants is **\$150.00**. The registration fee includes refreshments, lunch and workshop handouts.. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

Refund Policy

The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee.

Substitutions may be made at any time. Please notify us of changes.

Registration

Registration is closed one week prior to the day of the workshop. Please mail registration to address noted on the form or fax to (860) 486-5718.

You will receive a confirmation packet by mail containing travel directions and parking information prior to the training date.

Enrollment is Limited

Registrations will be accepted on a first-come first-served basis. Please register early for this workshop.
