Presents:

Tractor Mower Operator Safety Training

A Connecticut Road Master Elective Workshop

Friday, June 22, 2007, Storrs, CT

8:30 a.m. – 3:30 p.m.

(Registration begins at 8:00 a.m.)

If you run mowing equipment, safety is your #1 concern. This means protecting your equipment but more importantly, protecting yourself!

Course Description: This course is based on the strict guidelines of the American Equipment Manufacturers Association (AEM). This workshop will include facilitated classroom training and hands-on-equipment training. Safety management of hazards and risks will be discussed and demonstrated. Operations safety training will consist of mounting, dismounting, equipment inspection, proper signage and proper use of personal protection equipment (PPE). Each participant will receive a safety kit containing a hard hat, work gloves, ear plugs and safety glasses.

Our Instructor: *Jim Green* is an OSHA authorized outreach trainer with over 20 years of safety training experience. He is certified by the National and International Association of Safety Professionals as a safety manager, safety auditor and training specialist.
