## **Managing Utility Cuts** **A Roundtable Discussion**

*A Connecticut Road Scholar Program Elective Workshop*

**November 14, 2007 – Norwalk, CT**

**Session is 8:30 AM – 1:00 PM** (*Registration Opens 8:00 AM*)  
(*Morning Refreshments and Lunch will be provided.*)

### **Objective:**

Every day, utility cuts are dug and restored in cities and towns all over Connecticut. These operations, in public rights-of-way, require effective coordination between the utility companies and the municipal agencies. Important issues such as public safety, roadway preservation, riding comfort, cost-effectiveness and durability of the implemented reinstatement strategy must be taken into consideration. This roundtable discussion provides an opportunity to meet with other Connecticut agencies to discuss issues related to this utility cut coordination. Bring your questions and any suggestions for strategies that have worked in your agency.

### **Agenda:**

- 8:00 – Registration & Refreshments
- 8:30 – Introductions and Overview
- 9:00 – Roundtable Discussion
- 12:00 – Networking Luncheon
- 1:00 – Adjourn

### **Who Should Attend:**

Directors of Public Works, Highway Superintendents and Foremen, Town/City Engineers; any municipal agency employee who is responsible for or interested in understanding better ways to handle the coordination of utility cuts is welcome to attend.
