The Connecticut Transportation Institute's Technology Transfer Center, established at the University of Connecticut's School of Engineering in 1983, provides training, technical assistance, and informational materials to Connecticut's local governments on the planning, design, construction, maintenance, operation, and management of roads, bridges, and public transit. The Technology Transfer Center is a cooperative effort of the Connecticut Department of Transportation, the Federal Highway Administration's Local Technical Assistance Program (LTAP) and the University of Connecticut. The University of Connecticut is an affirmative action, equal opportunity institution. No state-appropriated funds were used to print this material.

For questions or information on our services, call 860-486-5400 or visit us online at www.t2center.uconn.edu

Work Zone Safety for Maintenance Operations on Local Roads

A Connecticut Road Master Program Required Workshop

Granby Public Works Dept.

April 14, 2009 - Canton, CT
April 15, 2009 - Cheshire, CT
April 16, 2009 - East Lyme, CT
8:30 a.m. - 3:30 p.m.
(Lunch will be provided)

Learning Objectives:

In this workshop participants will learn:

- ◆ How to manage work zone traffic
- ◆ How to set up and maintain work zones
- ◆ How to install, maintain and monitor traffic control devices
- ◆ How to identify and train the right people for flagging in the work zone

Instructor:

Adam R. Drummond is the President of National Safety Services, LLC. He is responsible for the development and delivery of National Safety Services programs nationally, including environmental, health and safety training and has over 20 years experience in the safety training, consulting and products industry. Mr. Drummond has designed more than 75 individual training programs for safety and environmental applications.

Who Should Attend:

This program is designed for any state or local personnel who are involved in street and utility construction and maintenance on local roads. Road Foremen, Crew Leaders, Highway Superintendents and Directors of Public Works whose crews work on local roads are encouraged to attend.

Proposed Schedule:

| | |
|------------|--|
| 8:00 AM | Registration |
| 8:30 AM | Introduction and Morning Session: <ul style="list-style-type: none">- Overview- Traffic Control Devices- Traffic Control Management |
| 12:00 Noon | LUNCH (provided) |
| 12:45 PM | Afternoon Session: <ul style="list-style-type: none">- Traffic Control Plan- Flagging- Class Exercises |
| 3:30 PM | Class Adjourns |

Registration Fees

The registration fee for State and Municipal participants is **\$65.00**; the registration fee for private sector participants is **\$130.00**. The registration fee includes lunch and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

Refund Policy

The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee. Substitutions may be made at any time. Please notify us of changes.

Registration

Registration is closed one week prior to day of workshop. Please mail registration to address noted on the form or fax to (860) 486-5718.

You will receive a confirmation packet by mail containing travel directions and parking information prior to the training date.

Enrollment is Limited

Registrations will be accepted on a first-come first-served basis. Please register early for this workshop.
