Course Description:

The goal of this course is to provide basic knowledge on the safe and effective use of law enforcement personnel in Connecticut work zones. The objectives are to provide law enforcement personnel with a working knowledge of work zone traffic control and to define their roles and responsibilities when working in work zones.

Learning Objectives:

1. Understand standards and guidelines related to temporary traffic control in work zones
2. Understand the role of law enforcement officers in work zones
3. Recognize the component parts of a typical work zone
4. Recognize proper practices and procedures related to the use of law enforcement officers in work zones

Who Should Attend:

This course is designed for law enforcement personnel and those responsible for supervising the use of law enforcement personnel in Connecticut work zones. Chiefs of Police, Chief Elected Officials and Traffic Officers are encouraged to attend.

Instructor:

Mike Barker is a former law enforcement officer and is currently the Risk Management Program Coordinator for the City of New Haven. Mike is responsible for the insurance and liability concerns involved with the City's risk management program. In addition, Mike is involved in overseeing compliance and developing and delivering all OSHA and other safety-related programs and training for all departments.
