Please advise if you require special services or have dietary restrictions.

Mail to: Technology Transfer Center
179 Middle Turnpike, Unit 5202
Storrs, CT 06269-5202
Fax to: (860) 486-5718, or register on-line at www.t2center.uconn.edu/registration.html

If mailing registration with payment, please be sure to also fax your registration to secure a space. Please direct questions to Shelly Desjardin at (860) 486-9373.
Learning Objectives

In this workshop participants will learn:
◆ How to manage work zone traffic
◆ How to set up and maintain work zones
◆ How to install, maintain and monitor traffic control devices, and
◆ How to identify and train the right people for flagging in the work zone.

Who should attend?

This program is designed for any state or local personnel who are involved in street and utility construction and maintenance on local roads. Road Foreman, Crew Leaders, Highway Superintendents and Directors of Public Works whose crews work on local roads are encouraged to attend.

Instructor

Adam R. Drummond is the President of National Safety Services, LLC. He is responsible for the development and delivery of National Safety Services programs nationally, including environmental, health and safety training and has over 20 years experience in the safety training, consulting and products industry. Mr. Drummond has designed more than 75 individual training programs for safety and environmental applications.

Registration Fees

The registration fee for State and Municipal participants is $65.00; the registration fee for private sector participants is $130.00. The registration fee includes refreshments, lunch, and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

Refund Policy

The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee. Substitutions may be made at any time. Please notify us of changes.

Registration

Registration is closed one week prior to day of workshop. Detach and mail form, or fax the form to (860) 486-5718. You will receive a confirmation packet containing travel directions and parking information.

Enrollment is Limited

Registrations will be accepted on a first-come first-serve basis. Please register early for this workshop.

Contact the Technology Transfer Center at (860) 486-5400 with any questions you may have.
