The Connecticut Transportation Institute’s Technology Transfer Center, established at the University of Connecticut’s School of Engineering in 1983, provides training, technical assistance and informational materials to Connecticut’s local governments on the planning, design, construction, maintenance, operation and management of roads, bridges and public transit.

The Technology Transfer Center is a cooperative effort of the Connecticut Department of Transportation, the Federal Highway Administration’s Local Technical Assistance Program (LTAP) and the University of Connecticut.

For questions and information on our services, call (860) 486-9373 or visit us online at www.t2center.uconn.edu
Instructor:
Paul Brown is President of RoadTech, Inc., a consulting company specializing in road management and pavement maintenance issues. Paul has been teaching road building and maintenance classes for LTAP centers around the country for several years and has been in the construction industry since 1979.

Who Should Attend:
This course is designed to provide an overview of the complexity of managing the many assets of a municipal public works department. Public Works Directors, Highway Superintendents, Foremen and others who are responsible for managing public works assets are encouraged to attend.

Registration Fees
The registration fee for State and Municipal participants is $75.00; the registration fee for private sector participants is $150.00. The registration fee includes lunch and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

Refund Policy
The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee. Substitutions may be made at any time. Please notify us of changes.

Registration
Registration is closed one week prior to the day of the workshop. Mail your form, fax your form to (860) 486-5718 or register online at www.t2center.uconn.edu/registration.php.

Please Note: We will be emailing travel directions and parking information prior to the training date. Please be sure to provide an email address on your registration.

Enrollment is Limited
Registrations will be accepted on a first-come first-served basis. Please register early for this workshop.

Learning Objectives:
At the end of this session, participants will be able to:

- Discuss the value of planning and utilizing an Asset Management Program
- Explain the components of an Asset Management Program and how they work together
- Demonstrate how an Asset Management Program can be a tool to help in budget planning and project prioritization
