☐ Add me to your mailing list
☐ Add me to your listserv

Method of Payment:
☐ Check (payable to UConn)
☐ P.O. #_____________
☐ ConnDOT Voucher #_____________

Please advise if you require special services or have dietary restrictions. Photographs may be taken for promotional and training purposes. Please notify us during registration if you do not wish to be photographed.

Mail to: Technology Transfer Center
        270 Middle Turnpike, Unit 5202
        Storrs, CT 06269-5202
Fax to: (860) 486-5718, or register on-line at
www.t2center.uconn.edu/registration.php

If mailing registration with payment, please be sure to also fax your registration to secure a space. Please direct any questions to Shelly Desjardin at (860) 486-9373.
Learning Objectives:
In this workshop you will learn how to identify the geometric characteristics of a good road, understand how roadway geometrics affect capacity and driving safety, understand the function and importance of surface and sub-surface drainage in building and maintaining a good road and how to identify the elements of well-designed pavement.

Instructor:
Paul Brown is President of RoadTech, Inc., a consulting company specializing in road management and pavement maintenance issues. Paul has been teaching road building and maintenance classes for LTAP centers around the country for several years and has been in the construction industry since 1979.

Who Should Attend:
This program is designed for those who have responsibility for the construction and maintenance of local roads. Highway Superintendents, Road Foremen, Crew Leaders, Directors of Public Works and Town Engineers are encouraged to attend.

Registration Fees
The registration fee for State and Municipal participants is $75.00; the registration fee for private sector participants is $150.00. The registration fee includes lunch and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

Refund Policy
The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee.

Substitutions may be made at any time. Please notify us of changes.

Registration
Registration is closed one week prior to the day of the workshop. Please mail registration to address noted on the form or fax to (860) 486-5718.

You will receive a confirmation packet by mail containing travel directions and parking information prior to the training date.

Enrollment is Limited
Registrations will be accepted on a first-come first-served basis. Please register early for this workshop.
