The Connecticut Transportation Institute’s Technology Transfer Center, established at the University of Connecticut’s School of Engineering in 1983, provides training, technical assistance and informational materials to Connecticut’s local governments on the planning, design, construction, maintenance, operation and management of roads, bridges and public transit.

The Technology Transfer Center is a cooperative effort of the Connecticut Department of Transportation, the Federal Highway Administration’s Local Technical Assistance Program (LTAP) and the University of Connecticut.

For questions and information on our services, call (860) 486-5400
or visit us online at www.t2center.uconn.edu

July 21, 2011 - Farmington, CT
8:30 a.m. — 3:00 p.m.
(Registration begins at 8:00 a.m.)
(Lunch will be provided)
Course Description:
This course provides a refresher on basic math skills related to construction inspection and road maintenance and uses a “Where’s Waldo” approach to teach participants how to find needed information within a set of plans.

Each participant will have their own set of plans to work on. Group and individual exercises will be used to practice the concepts discussed. Throughout the day participants will search their plans to find information requested by the instructor.

Who Should Attend:
This course is designed for anyone who wants a refresher of basic construction math principles or needs to find information in a set of plans.

Road Foreman, Inspectors and Crew Leaders are encouraged to attend.

Topics Include
- Using a scale
- Reading notes
- Determining quantities and understanding typography
- Basic Geometry
- Fractions
- Area and Volume
- Project Estimation
- Conversions

PLEASE BRING A PENCIL, NOTEPAD AND BASIC CALCULATOR.

Instructor:
Paul Brown is President of RoadTech, Inc., a consulting company specializing in road management and pavement maintenance issues and is the Director of Snow and Ice Operations for the State of Massachusetts. Paul has been teaching road building and maintenance classes for LTAP centers around the country for many years and has been in the construction industry since 1979.

Registration Fees
The registration fee for State and Municipal participants is $75.00; the registration fee for private sector participants is $150.00. The registration fee includes lunch and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

Refund Policy
The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee. Substitutions may be made at any time. Please notify us of changes.

Registration
Registration is closed one week prior to day of workshop. Please mail registration to address noted on the form or fax to (860) 486-5718.

You will receive a confirmation packet by mail containing travel directions and parking information prior to the training date.

Enrollment is Limited
Registrations will be accepted on a first-come first-served basis. Please register early for this workshop.
