The Connecticut Transportation Institute’s Technology Transfer Center, established at the University of Connecticut’s School of Engineering in 1983, provides training, technical assistance and informational materials to Connecticut’s local governments on the planning, design, construction, maintenance, operation and management of roads, bridges and public transit.

The Technology Transfer Center is a cooperative effort of the Connecticut Department of Transportation, the Federal Highway Administration’s Local Technical Assistance Program (LTAP) and the University of Connecticut.

Defensive Driving
For Public Works Employees
A Connecticut Road Master Program Elective Workshop

July 17, 2012
Burlington, CT
8:30 a.m. — 3:00 p.m.
(Registration begins at 8:00 a.m.)
(Lunch will be provided)

July 18, 2012
Colchester, CT
8:30 a.m. — 3:00 p.m.
(Registration begins at 8:00 a.m.)
(Lunch will be provided)
Course Description:
It takes extra care and special skills to operate highway equipment. This course focuses on proper driving techniques for everyday equipment used by public works employees and provides practical tips on how to stay alert and out of harm’s way.

Instructor:
Jim McLeroy has over 15 years of experience as a driving instructor and training officer for both commercial and industrial clients. He has more than 7 years’ experience in accident investigation and served as company contact person regarding inspections, conferences and other regulatory activity with government organizations such as the Department of Transportation (DOT), Occupational Safety and Health Administration (OSHA) and Massachusetts Department of Safety.

Who Should Attend:
This course is designed for those that are responsible for operating highway equipment; especially truck drivers, laborers and maintainers. Directors of Public Works, Highway Superintendents, Road Foremen and Crew Leaders are also encouraged to attend.

Topics to be Covered

- Statistical crash frequencies - how they can affect a public works operation, etc.
- Characteristics of a Professional Driver
- Impact of and handling distractions (all the normal things like cell phones and eating plus special attention to those specific to Public Works Vehicles - instruments, dials, radios, etc. in their cabs)
- Pre-trip inspections
- Blind spots
- Avoidability of accidents
- Operator obligations when a collision occurs
- Backing & parking (specific to Public Works Vehicles—many towns have a “no backing” policy but emergencies arise - how to handle it with and without a partner)
- Handling intersections
- Preventing rollovers

Registration Fees
The registration fee for State and Municipal participants is $75.00; the registration fee for private sector participants is $150.00. The registration fee includes lunch and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

Refund Policy
The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee. Substitutions may be made at any time. Please notify us of changes.

Registration
Registration is closed one week prior to day of workshop. Mail your form, fax your form to (860) 486-5718 or register online at www.t2center.uconn.edu/registration.php.

Please Note: We will be emailing travel directions and parking information prior to the training date. Please be sure to provide an email address on your registration.

Enrollment is Limited
Registrations will be accepted on a first-come first-served basis. Please register early for this workshop.
