The Connecticut Transportation Institute’s Technology Transfer Center, established at the University of Connecticut’s School of Engineering in 1983, provides training, technical assistance and informational materials to Connecticut’s local governments on the planning, design, construction, maintenance, operation and management of roads, bridges and public transit.

The Technology Transfer Center is a cooperative effort of the Connecticut Department of Transportation, the Federal Highway Administration’s Local Technical Assistance Program (LTAP) and the University of Connecticut.

October 19, 2010 - Farmington
October 20, 2010 - Colchester
8:30 a.m. — 3:30 p.m.
(Lunch will be provided)
Course Description:
This training session will provide participants with the information and resources necessary to apply proper safety principles and operating techniques during snow and ice operations. Vehicle and operator safety, vehicle maintenance and inspection, and proper plowing techniques will be covered.

Who Should Attend:
This program is designed for any state or local personnel who have responsibility for snow and ice control activities and are experienced operators who understand the basics of handling dump trucks, loaders and other maintenance vehicles.

Highway Superintendents, Road Foremen, Crew Leaders and Directors of Public Works are encouraged to attend.

Instructor:
Our instructor, Bill Eyberse is a 30-year employee of the Connecticut Department of Transportation. He spent seven of his 30 years as a District Trainer. He is an authorized OSHA Outreach and National Safety Council Instructor.

Registration Fees
The registration fee for State and Municipal participants is $75.00; the registration fee for private sector participants is $150.00. The registration fee includes lunch and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

Refund Policy
The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee.

Substitutions may be made at any time. Please notify us of changes.

Registration
Registration is closed one week prior to the day of the workshop. Please mail registration to address noted on the form or fax to (860) 486-5718.

You will receive a confirmation packet by mail containing travel directions and parking information prior to the training date.

Enrollment is Limited
Registrations will be accepted on a first-come first-served basis. Please register early for this workshop.
