

Join the Connecticut Public Works ListServ

What is it: An email message system to reach the municipal public works departments.

- Provides a way to pose questions among your public works peers. Topics from 2012 included:
 - Pavement Preservation Techniques
 - Using GPS in Public Works Vehicles
 - Public Works Staffing
 - Winter Operations practices
- Serves as a communication tool for the Connecticut T2 Center to forward materials and information on new regulations, new training resources, upcoming T2 trainings, and emergency response information relative to the public works community.
- Provides Connecticut municipalities a way to post new job opportunities in a timely manner.

Delivery Options: Worried about receiving too many e-mails in your inbox? No problem. You can choose to either have a digest option with all daily messages in one email, or receive each message individually. This option can be changed at any time to ensure your subscription works best for you.
