The Connecticut Transportation Institute's Technology Transfer Center, established at the University of Connecticut's School of Engineering in 1983, provides training, technical assistance, and informational materials to Connecticut's local governments on the planning, design, construction, maintenance, operation, and management of roads, bridges, and public transit. The Technology Transfer Center is a cooperative effort of the Connecticut Department of Transportation, the Federal Highway Administration's Local Technical Assistance Program (LTAP) and the University of Connecticut. For information on our services, call 860-486-5400 or visit us online at www.t2center.uconn.edu.

PRESENTS:

BASICS OF A GOOD ROAD

*A Connecticut
Road Master Program **Required** Workshop*

June 24, 2008 - Hartford, CT

June 25, 2008 - Bethel, CT

June 26, 2008 - Storrs, CT

(all sessions are 8:30 a.m. to 3:30 p.m.)

University of
Connecticut

Learning Objectives:

In this workshop you will learn how to identify the geometric characteristics of a good road, understand how roadway geometrics affect capacity and driving safety, understand the function and importance of surface and sub-surface drainage in building and maintaining a good road, and how to identify the elements of well designed pavement.

Who Should Attend:

This program is designed for those who have responsibility for the construction and maintenance of local roads. Highway Superintendents, Road Foremen, Crew Leaders, Directors of Public Works, and Town Engineers are encouraged to attend.

Instructor:

Paul Brown is president of RoadTech, Inc., a consulting company specializing in road management and pavement maintenance issues. Paul was formerly a research engineer for the University of New Hampshire. He has been working with LTAP Centers around the country for several years and has been in the construction industry since 1979.

Registration Fees

The registration fee for State and Municipal participants is **\$65.00**; the registration fee for private sector participants is **\$130.00**. The registration fee includes refreshments, lunch, and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

Refund Policy

The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee. Substitutions may be made at any time. Please notify us of changes.

Registration

Registration is closed one week prior to day of workshop. Detach and mail form, or fax the form to (860) 486-5718.

You will receive a confirmation packet containing travel directions and parking information.

Enrollment is Limited

Registrations will be accepted on a first-come first-serve basis. Please register early for this workshop.
