The Connecticut Transportation Institute’s Technology Transfer Center, established at the University of Connecticut’s School of Engineering in 1983, provides training, technical assistance and informational materials to Connecticut’s local governments on the planning, design, construction, maintenance, operation and management of roads, bridges and public transit.

The Technology Transfer Center is a cooperative effort of the Connecticut Department of Transportation, the Federal Highway Administration’s Local Technical Assistance Program (LTAP) and the University of Connecticut.

Debris Management:
A Roundtable Discussion
A Connecticut Road Scholar Program
Elective Workshop

May 17, 2013
Rocky Hill, CT
8:30 a.m. - 1:30 p.m.
(registration begins at 8:00 a.m.)

Lunch will be provided
**Course Description:**
Join us for presentations from members of the public works community and an opportunity to share successes and challenges in managing post-storm debris with your colleagues and members of Connecticut’s Interagency Debris Management Task Force.

**Who Should Attend:**
This program is designed for all municipal and state public works personnel who are responsible for storm clean up and debris management.

Directors of Public Works, Highway Superintendents, Road Foremen and Crew Leaders are all encouraged to attend.

**Registration Fees**
The registration fee for State and Municipal participants is **$75.00**; the registration fee for private sector participants is **$150.00**. The registration fee includes lunch and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

**Refund Policy**
The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee. Substitutions may be made at any time. Please notify us of changes.

**Registration**
Registration is closed one week prior to the day of the workshop. Mail your form, fax your form to (860) 486-5718 or register online at www.t2center.uconn.edu/registration.php.

**Please Note:** We will be emailing travel directions and parking information prior to the training date. Please be sure to provide an email address on your registration.

**Enrollment is Limited**
Registrations will be accepted on a first-come first-served basis. Please register early for this workshop.

**Presenters:**

*Thomas Roy*
Public Works Director, Town of Simsbury
*Surviving and Recovery from a Devastating Winter Storm*

*Timothy Webb*
Public Works Director, Town of Ellington
*Lessons Learned from Storm Alfred*

Participants will be expected to actively participate in the discussion. Bring questions and comments about your department’s practices and concerns.
