Mail to: Technology Transfer Center
        270 Middle Turnpike, Unit 5202
        Storrs, CT 06269-5202
Fax to: (860) 486-5718, or register on-line at www.t2center.uconn.edu/registration.php

If mailing registration with payment, please be sure to also fax your registration to secure a space. Please direct any questions to Shelly Desjardin at (860) 486-9373.

The Connecticut Transportation Institute’s Technology Transfer Center, established at the University of Connecticut’s School of Engineering in 1983, provides training, technical assistance and informational materials to Connecticut’s local governments on the planning, design, construction, maintenance, operation and management of roads, bridges and public transit.

The Technology Transfer Center is a cooperative effort of the Connecticut Department of Transportation, the Federal Highway Administration’s Local Technical Assistance Program (LTAP) and the University of Connecticut.

For questions and information on our services, call (860) 486-5400 or visit us online at www.t2center.uconn.edu

August 24, 2010 - Colchester, CT
August 25, 2010 - Monroe, CT

8:30 A.M. - 3:30 P.M.
(Registration begins at 8:00 a.m.)
(Lunch will be provided)
**Course Objectives:**

At this workshop participants will receive information to:

- Understand basic concepts, principles and techniques for evaluating traffic issues
- Develop reasonable alternative solutions for addressing local traffic problems
- Practice completing exercises to perform common municipal engineering and traffic studies using real data
- Be able to communicate more effectively with traffic safety experts

**Who Should Attend:**

This program is designed for all municipal personnel who serve in the capacity of their municipality’s legal traffic authority and others who have an interest or involvement in municipal traffic safety and traffic control.

**Instructor:**

*Mark Hood, P.E.* is a Senior Technology Transfer Specialist and Traffic Safety Engineer with Pennoni Consulting Engineers and the Pennsylvania LTAP Center. He has over 18 years of experience in Transportation Engineering and has been providing training and technical assistance on transportation safety and traffic engineering-related subjects to audiences around the country for the past twelve (12) years.

**Registration Fees**

The registration fee for State and Municipal participants is **$75.00**; the registration fee for private sector participants is **$150.00**. The registration fee includes lunch and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

**Refund Policy**

The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee. Substitutions may be made at any time. Please notify us of changes.

**Registration**

Registration is closed one week prior to day of workshop. Please mail registration to address noted on the form or fax to (860) 486-5718.

You will receive a confirmation packet by mail containing travel directions and parking information prior to the training date.

**Enrollment is Limited**

Registrations will be accepted on a first-come first-served basis. Please register early for this workshop.

---

**Tentative Schedule**
