www.t2center.uconn.edu/registration.php

If mailing registration with payment, please be sure to also fax your registration to secure a space. Please direct any questions to Shelly Desjardin at (860) 486-9373.
**Course Description:**
Access to better information, improved equipment and integrating the latest best practices into their operations are helping communities across the region to be better prepared for Winter.

This class will provide detailed information on all of the above and give participants a chance to practice what they have learned through storm scenario exercises.

**Instructor:**

**Paul Brown** is President of RoadTech, Inc., a consulting company specializing in road management and pavement maintenance issues and formerly the Director of Snow and Ice Operations for the State of Massachusetts. Paul has been teaching road building and maintenance classes for LTAP centers around the country for several years and has been in the construction industry since 1979.

**Who Should Attend:**
This program is designed for those who have responsibility for snow and ice control activities of state and local roads. Highway Superintendents, Road Foremen, Crew Leaders, Directors of Public Works and Town Engineers are encouraged to attend.

**Learning Objectives**
At the end of this session, participants will be able to:

- List the key components of a typical snow and ice control plan
- Describe the differences between anti-icing and de-icing
- Explain the importance of proper equipment calibration
- Describe best practices in snow fighting

**Registration Fees**
The registration fee for State and Municipal participants is **$75.00**; the registration fee for private sector participants is **$150.00**. The registration fee includes lunch and workshop handouts. Registration fees are due prior to the start of the workshop.

Participants from the Connecticut Department of Transportation must provide the ConnDOT workshop voucher number with the registration form and bring the original voucher to the workshop.

**Refund Policy**
The registration fee is refundable if notice of cancellation is received 48 hours prior to the start of the program. Registrants who are unable to attend and do not cancel in advance are subject to the registration fee.

Substitutions may be made at any time. Please notify us of changes.

**Registration**
Registration is closed one week prior to day of workshop. Mail your form, fax your form to (860) 486-5718 or register online at [www.t2center.uconn.edu/registration.php](http://www.t2center.uconn.edu/registration.php).

**Please Note:** We will be emailing travel directions and parking information prior to the training date. Please be sure to provide an email address on your registration.

**Enrollment is Limited**
Registrations will be accepted on a first-come first-served basis. Please register early for this workshop.
